Like all parents, you want the best opportunities for your children to be happy, healthy, social and successful. The New Castle County summer camp programs offer many options for your child to participate in activities that will indeed meet a parents expectation of a nurturing environment that builds a foundation for a healthy development of values, intellect and social maturity.

The New Castle County Summer Camp Programs offer recreation and creativity in a structured, safe environment that also provides some “downtime”, which allows campers to simply relax and hangout with their peers building social skills through shared interests in a comfortable environment.

New Castle County offers parents and guardians cost effective summer camp options for half day and full day camps at locations close to home for ages 5 - 12 years old. Eight summer sessions of half day camps are offered this year at three locations, 1) Brookside Elementary School, 2) Battery Park, 3) Leasure Elementary School. Half-day camp fees are \$35.00 per week, Monday thru Thursday 8:30 a.m. - 12:30 p.m., and includes breakfast and lunch.

Camp programming includes:

- Breakfast and lunch daily at Leasure and Brookside
- Weekly themes
- Fitness and nature activities
- Sports games
- Outdoor playtime
- Educational programming
