FY2013 ACCOMPLISHMENTS

- All retirees have been set-up to access the People Soft Self-Service module; eliminating the necessity of mailing paper statements, resulting in a savings of \$5,100. This will allow retirees to view their monthly paycheck as well as benefits and dependent information. Additionally, retirees will be able to view and modify their e-mail address, mailing address, and phone number.
- A bid to carve-out the Medical/RX stop loss insurance from the carriers resulted in an annual savings of \$614,888.
- Recruited, tested and hired (34 recruits) for the 37th Police Academy, which started in July 2012 as well as for the 38th Police Academy which started in March 2013. These were the third and fourth successive academies to be run back to back over two years.
- Developed a county-wide training program to promote respect in the workplace and offered customer service training for employees.
- Reviewed and updated 12 personnel policies, including implementation of new policies for physical therapy at NCC facilities and leave for medical treatment of work-related injuries and illnesses. In December 2011, began electronic distribution of personnel policies resulting in reductions in HR cost, paper and staff time. HR realized savings of approximately \$2,500 in print shop costs.
- Reviewed and updated 38 job descriptions (approximately 10% of total), including creation of six new positions for the Special Services Apprenticeship Program.
- Used electronic mail with links to the website to communicate with job applicants instead of sending letters with enclosures by regular U.S. Mail.
- Implemented an electronic Performance Evaluation System to streamline the process and improve the amount of time it takes for employees to receive their performance evaluations.

NEW CASTLE COUNTY HUMAN RESOURCES

FY2014 CHALLENGES

The Office of Human Resources' mission is to provide internal support, services and advice on personnel matters for New Castle County Government, in order to provide essential public service.

The following are challenges that are seen for FY2014:

- Enhance the physical security in the Office of Human Resources to protect personnel records and data.
- Implement a county-wide wellness program to include health risks assessments, biometric screenings and healthy vending/food service options in an effort to help decrease health care costs, increase productivity, reduce absenteeism, and improve morale.
- Expand upon training to offer growth and development programs for employees to assist them in preparation for new opportunities within New Castle County.
- Paramedic Recruitments: explore possibility of offering scholarships to qualified candidates to attend paramedic training program. Develop a targeted approach in recruitment efforts to increase the pool of qualified, diverse applicants.
- Continue to find creative ways to use technology to streamline processes, reduce costs and improve efficiency; explore feasibility of implementing “paperless HR.”

TECHNOLOGY IMPROVEMENTS

- Use existing technology to develop an Employee/Labor Relations Case Management System for all grievances and disciplines.
