FY2014 ACCOMPLISHMENTS

- Recruited a pool of diverse applicants (651) from which to select highly qualified paramedic training candidates. Tested and hired recruits for the New Castle County Paramedic Academy which started in February 2014.
- Recruited, tested and hired 16 recruits (out of over 500 applicants) for the 39th Police Academy, which started in October 2013. An additional two (2) Delaware Certified Police Officers were hired and completed their required training in November 2013.
- Implemented a county-wide training program to promote respect in the workplace.
- Contracted with Fred Pryor Seminars to provide onsite programs in Business Writing (November 2013) and Managing Multiple Priorities, Projects and Deadlines (January 2014) to employees.
- Enhanced the physical security in the Office of Human Resources to protect personnel records and data.
- Successfully negotiated a minimal increase for medical premiums while enhancing the medical plans by adding Chiropractic Services and Hearing Aid coverage.
- Processed a large volume of applications for each vacancy. In CY2013, 3,414 applications were processed in connection with the hiring/promotion of 106 employees.

NEW CASTLE COUNTY HUMAN RESOURCES

FY2015 CHALLENGES

The Office of Human Resources' mission is to provide internal support, services and advice on personnel matters for New Castle County Government, in order to provide essential public service.

The following are challenges that are seen for FY2015:

- Expand upon training to offer growth and development programs for employees to assist them in preparation for new opportunities within New Castle County.
- Continue to find creative ways to use technology to streamline processes, reduce costs and improve efficiency; explore feasibility of implementing “paperless HR.”
- Continue to maintain competitive benefits at minimal cost to the County, employees and retirees.
- Explore other cost savings initiatives within existing medical and prescription plans.
- Implement a county-wide wellness program to include health risks assessments, biometric screenings in an effort to help decrease health care costs, increase productivity, reduce absenteeism, and improve morale.

TECHNOLOGY IMPROVEMENTS

- Worked with IS and Finance on upgrade of PeopleSoft to version 9.1; the new version features improved navigation.
- A new applicant tracking system is to be implemented, which features a more user-friendly interface for applicants and for HR recruiting staff. The system is geared towards public sector recruiting and will allow applicants to sign up for updates on positions in which they are interested and check their status online.
- Use existing technology to develop an Employee/Labor Relations Case Management System for all grievances and disciplines.
