IMPORTANT REMINDERS

- ✓ This schedule represents your permit to use the facilities on the dates and times indicated. Should any conflict with field use arise, contact the NCC police and refer to Permit No. 2898.
- ✓ Teams are asked to be present and ready to play at least fifteen minutes prior to the scheduled starting time. A five minute grace period will be allowed for all games (see Rule VII.A.). Warm-ups for the late games should begin in areas outside of the playing field while the early games are in progress.
- ✓ Mandatory make-up games will be scheduled based upon field and referee availability.
- ✓ Coaches must keep spectators away from the sidelines. ***Spectators are not permitted inside the fenced in area at Delcastle.***
- ✓ Please do not park on the grass areas of the ball fields.
- ✓ ALCOHOLIC BEVERAGES ARE NOT PERMITTED IN COUNTY PARKLAND.
- ✓ Uniform shirts with a number on the back must be worn by all players.
- ✓ Proper conduct is expected of all players. Players ejected from a game for unsportsmanlike conduct will receive a minimum one-game automatic suspension to be served in the next game played without written notification.
- ✓ ZERO TOLERANCE WARNING: Players will be removed from current quarter of play plus one additional quarter of play for any general use of foul language (similar to "Cool Down" procedure described in NCCDCS General Rules X-G).

Notice To All Teams Regarding Conduct (originally issued October 14, 2010)

New Castle County leagues are played in public parks that are used by men, women, and children for a variety of recreational activities. The Sports Office will not tolerate actions by participants in our programs that negatively impact the public's ability to enjoy the use of these facilities. Racial slurs, profanity, and unsportsmanlike acts such as baiting, taunting, and trash talking directed at opponents, officials, or staff will be immediately penalized. Violators will be suspended accordingly. After misconduct and "cool down" penalties have been issued, officials and coordinators have the authority to terminate games if the unsportsmanlike actions persist.

Players who want to play football will hopefully come out and enjoy the competition in our programs. Teams with players and spectators who come to our games and bait, taunt, trash talk, or use profane language will no doubt be very unhappy with the suspensions that will be issued by the Sports Office from this date forward.
