II. Rule clarifications and points of emphasis from manager's meeting (6/11/09):

- 1. Schedule Format: Blue Division** - Play each team in division 1X; Play 4 random teams from Gold Division, most teams play 10 games (exceptions: Tigers, Red Devils, & Force play 11 games due to acceptance of Moyer Academy /Titans as 15th team in league); **Gold Division** – Play each team in division 1X, play 4 random teams from Blue Division, all teams play 11 games except Titans from Moyer Academy).
- 2. Awards / Division Champion**: Due to the imbalance in total games played (10/11) among teams during season, team trophies and player awards at the end of the season will be based upon the following criteria: 1) Division Record, 2) Head-to Head, 3) Overall record and/or winning %, 4) TBA – If necessary.
- 3. Rule IV – A-12 (Change to)**: “Two orange pylon cones will be placed on both end lines to simulate approximate location of missing “hash marks” on field”.
- 4. Rule IV –A-25 (Change to)**: “A defensive coach may stand behind the opponent’s offensive team, if permission has been given by the offensive team”.
- 5. Rule IV – A-13 (Add)**: “8 players are permitted on defense and must be announced to opponent before start of game. The blitzing player must raise his hand prior to snap and must take a knee in front of center during the play. The team defensive system (7 or 8 man) must be used consistently throughout the game. **Penalty = Illegal procedure (Live Ball Penalty – 5 yds).**”
