CLASS SPECIFICATION

Date: 01/26/10

Title: ASSISTANT PLATOON LEADER -
FIRE/MEDICAL

Approved:

GENERAL STATEMENT OF DUTIES: Assists the Emergency Communications Management in providing leadership and supervision for a platoon of Call Operators and Telecommunicators to ensure the efficient, accurate and timely operations of the Communications Center; does related duties as required.

DISTINGUISHING FEATURES OF THE CLASS: An employee in this class is considered a working supervisor and oversees the work activities of the platoon members in receiving and processing emergency incident information and assigning and coordinating the appropriate emergency response. The employee assists management in the daily operations of the different areas. This employee utilizes a CAD system, an Automatic Vehicle Locator (AVL) Computer system, associated terminals, printers, various radio systems and other computerized information systems. The employee serves as liaison with fire companies, emergency medical services and other medical facilities. The employee must maintain proficiency standards and certifications for police, fire, and medical protocols, a basic telecommunicator course and other continuing education requirements. Responsibilities also include coordinating, maintaining, and disseminating a wide variety of logistical support information. Work is performed under the general supervision of the Platoon Leader or other designated supervisor.

The position of Assistant Platoon Leader shall also be subject to the following provisions:

- (1) The Assistant Platoon Leader rank may be lost by an unsatisfactory performance evaluation and/or serious disciplinary action.
- (2) The Assistant Platoon Leader rank, once obtained and lost by an unsatisfactory performance evaluation, would be reinstated once a satisfactory performance is obtained. In cases of serious disciplinary action, defined as any discipline warranting a suspension or above, the employee would be required to re-apply after two (2) consecutively satisfactory performance evaluations.

EXAMPLES OF WORK: (Illustrative only)

- Oversees the receipt, prioritizing, and dispatching of the appropriate response to emergency incidents;
- Supervises call-taking and dispatching staff and activities on an assigned shift and makes work assignments;
- Assists management in preparing duty schedules and maintains attendance and personnel records; Ensures that work is performed in accordance with regulations and required procedures;
- Assists in monitoring and evaluating personnel performance and has input in performance appraisal discussions;
- Assists in keeping records on incidents and statistics and prepares a variety of forms, logs, and reports concerning the work;
- Ensures that all computer equipment, printers, radios and other technical equipment is fully operative and maintained and arranges for outside repair as needed;
- Communicates with patients, family members and third party callers to ensure that all patient needs are addressed in an efficient and caring manner;
- Utilizes a variety of computer systems, printers, radios, and telephones to carry out the work;
- Works with the enhanced 9-1-1 system to research the origin of calls and initiate callback on disconnected calls;
- Coordinates, maintains, and disseminates a wide variety of logistical support information;
- Reviews operating procedures, reference materials, maps, directories, emergency and disaster plans, training information and other related information;
- Stays abreast of all procedures and protocols of individual fire companies and other related agencies;
- Prepares, maintains and reviews with assigned staff operating procedures, reference materials, maps, directories, emergency and disaster plans, training information and other work-related information;
