Listed below is the complete list of remaining make-up games (including full rain outs, partials, and incomplete games) as reported by our league coordinators. *Review this memo carefully – after these games are played you should have a total of either 18 games (divisions with an even number of teams) or 20 games (divisions with an odd number of teams).* Please review this memo carefully, pass along the information to your players, and contact the Sports Office with any questions.

*Please note that some teams will be required to travel to a different field, or have a break between games.* The grace period will be extended to assist teams that are travelling.
