*May every step of your new life together be forever as carefree as a walk in the park.*

### **Commemorate Your Special Day at Rockwood with an Engraved Paver**

Thank you for selecting the Rockwood Park Carriage House as your wedding venue. Rockwood Park & Museum is such a beautiful location for a wedding because of its beautiful historic buildings and gardens. These historic spaces will make your wedding day unforgettable.

The Rockwood Park Preservation Society, together with the Greenery Caterers at the Carriage House, invite you to help preserve these spaces while also commemorating your special day with an engraved granite paver. Pavers will be placed along the entrance to the Carriage House. Pavers come in a variety of sizes, and offer you a unique opportunity to make a mark with a date, verse, or other special moment you can return to through the years all while helping to preserve Rockwood for future wedding celebrations and generations.

You can order your paver with the attached form. Please contact the Rockwood Park Preservation Society with any questions at (302) 761-4340.

Rockwood Park Preservation Society, Inc. is an all-volunteer, non-profit organization (501c3). Our mission is to promote, preserve, and enhance the educational, historical, architectural, and natural resources of Rockwood Park and Museum. A portion of the purchase price of your paver is a tax-deductible contribution.

Our best wishes to you.

Sincerely,

Leone L. Cahill Krout, Vice President  
Rockwood Park Preservation Society, Inc.
