

2019 SOFTBALL LEAGUES
Playoff Results for All Leagues (except Seniors)
Wednesday, August 14, 2019 *FINAL*

Special Playoff Rules

1. Rosters and waivers were due May 20. Late rosters must be turned into the Sports Office and will not be accepted after the last regular season play date. *An eligibility protest filed against any team who has not turned in a roster will be automatically honored and the offending team will be removed from the playoffs.*
2. All playoff games must go seven (7) innings unless the "run ahead" rule applies. *Incomplete playoff games will be resumed from the point the game was suspended.*
3. *Rostered players must be used during the playoffs.* "Borrowed Players" are NOT permitted.
4. Time limits and "No new inning" rules are suspended during the playoffs. One-pitch rules are also suspended.
5. Special protest rules are in place during the playoffs. See NCC General Softball Rules X.B. for more information.
6. The home team in all single and double elimination playoff games will be the team with the highest seed. In a best-of-three series the team with the highest seed will be the home team in the first and third games of the series. If two teams have identical records a coin flip must be used to determine the home team sequence.
7. Random bat testing may be conducted throughout the playoffs. Only NCC tested bats will be permitted after those dates.

This page will be updated and reposted after each playoff date.
