Release of Minors

Children are released at the end of camp to their parent/guardian or one of the individuals listed below. The only exception to this policy will be when a note is provided by either parent/guardian to the camp coordinator. The camp will release the child to either parent / guardian listed on this form unless directed by a court to do otherwise. This form may be amended at any time by the parent/guardian by calling the camp office.

Photo identification is required at the time of pick-up.
