

# Episode 3: Table Runner

Maryann teaches how to make a table runner for an everyday or holiday table.

## Materials:

- Electronic sewing machine
- Thread (cotton or polyester, cotton recommended)
- Bobbin
- ¼-inch seem foot (for quilting)
- Scissors just quilting
- Clips
- 45mm Rotary Cutter (60mm for heavy fabrics)
- Fiskars Rotary Blade 45mm Titanium
- Quilting Ruler
- OLFA Rotating Cutting Matt
- Iron
- Ironing Matt
- Seem Ripper

## Fabric for this Project:

- 2 pieces of material color and pattern of material would be your choice. Example fall prints, Christmas prints, or plain colors.
- Precut your material
- The first piece of material (inner piece) would be to the measurement you would like for the table size
- Second piece material (inner piece) will be cut 5" – 6" larger than your inner piece.
