County Executive Supports Row Officers Participation in ALS Ice Bucket Challenge

New Castle County Executive Tom Gordon is pleased to support the County Row Officers decision to participate in the ALS Ice Bucket Challenge.

County Recorder of Deeds Mike Kozikowski, Register of Wills Ciro Poppiti, Sheriff Trinidad Navarro, and Clerk of the Peace Kenneth Boulden are scheduled to participate in the Ice Bucket Challenge at 1 p.m. Wednesday, Sept. 3 in the front of the City/County Building.

The media is welcome to attend this event, which would make for a good photo opp.

Donations as a result of the Ice Bucket Challenge phenomenon have brought in more than \$100 million to the ALS Association, according to the nonprofit organization. Donations have ranged from under \$1 to \$200,000.
